Summer Excursion to Budapest

Cognitive Explorations into Metaphor and Metonymy
25.06. - 29.06.2014

This summer, the English Department is organizing a student excursion to Budapest, Hungary. We will attend the international conference *Cognitive Explorations Into Metaphor and Metonymy VI - Metaphor, Discourse and Context*, at the Department of American Studies of Heidelberg’s partner university ELTE. The conference continues the Cognitive Exploration/Metaphernkolloquium series, which has turned into a regular event at the English Department over the last years. Prior to the conference, there will be a poster session for students, in which selected research projects dealing with Metaphor and Metonymy in Discourse can be presented and discussed with other international students and experts.
